

## Kelly

*Full of life and sweet as can be.* Miss Kelly is making her second appearance to the adoptions page due to falling victim to the parvo virus, which she has since successfully and completely recovered from thanks to support of Friends of the Shelter and our offsite infirmary care program, without which she would not be here. She is now very ready to find a permanent address of her own. Kelly is full of life and sweetness and is ready to make up for the weeks she lost while being sick and while others were out playing in the sunshine and fresh grass. Although labeled a German Shepherd mix, Kelly's petite size and stature are far from that of your typical GSD; only her markings and her coat thickness are Shepherd like. She is working on her crate training and housebreaking skills and is eager to play with any dog who can keep up with her.

### Special Needs

Vet reference required.

### In Foster Care

### Goofball

I'm a fun-loving, happy-all-the-time, glass-is-half-full kind of dog looking for someone who loves to laugh and play around. Must have a great sense of humor and a bunch of tennis balls.
